Cocktail Style Events

Deep Water Lounge offers two formats for cocktail-style functions: an exclusive bar area package and a full venue hire. Both are designed to provide your guests with an exceptional experience in our carefully crafted spaces.

1.1 Bar Area — Exclusive Event Package

Capacity	Up to 50 guests (extendable to 80)
Exclusive Hire Trigger	30 guests or more
Minimum Spend	\$4,000 (food and beverage combined)
Duration	To be negotiated with the Functions Manager
Booking Confirmation	25% deposit of agreed package total

Our bar area is available for cocktail-style events and can comfortably seat 50 guests, with the flexibility to extend to 80 guests for a standing cocktail format. Any booking of 30 or more guests will trigger our Exclusive Event Package, meaning your group will have the space entirely to yourselves for the duration of the event.

All details — including timing, styling, and beverage arrangements — are negotiated directly with our Functions Manager. A minimum spend of \$4,000 applies to the event, inclusive of food and beverage.

1.2 Full Venue Hire

Minimum Guests	80
Maximum Guests	150 (as per our liquor licence)
Minimum Spend — Prime Sitting	\$12,000 (Friday & Saturday evenings)
Minimum Spend — All Other Times	\$8,000
Booking Confirmation	25% deposit of agreed package total

For larger events, we offer exclusive hire of the entire Deep Water Lounge. A minimum of 80 guests is required, with a maximum of 150 guests in accordance with our liquor licence conditions.

Prime sittings on Friday and Saturday evenings carry a minimum spend of \$12,000. All other time slots carry a minimum spend of \$8,000. Dates and times can be discussed on a case-by-case basis — please reach out to our Functions Manager to explore availability.

1.3 Beverage Options

Deep Water Lounge is committed to responsible service of alcohol and takes its RSA obligations seriously. We do not offer a fixed beverage package. Instead, hosts may select from the following arrangements:

- Pre-authorized spend — a set beverage budget is agreed in advance; once reached, the bar transitions to a cash bar for guests.
- Cash bar — all beverages are purchased individually by guests throughout the event.
- Host bar (open bar) — the host covers all beverage costs for the duration of the event. Please note that minimum spend requirements still apply.

Important: In the event that the minimum spend is not reached, the purchase of Deep Water Lounge gift vouchers is recommended to ensure the balance is honoured and your guests can enjoy a return visit.

Cocktail Menu

Our cocktail menu is designed for sharing and has been crafted to complement the atmosphere of Deep Water Lounge. The host is responsible for pre-selecting canape options from the menu below prior to the event. All selections must be confirmed with the Functions Manager at the time of finalising your package.

Seated Dining Events

For groups seeking a more formal dining experience, Deep Water Lounge offers two seated dining formats: an intimate private dining option in our Rose Room, and an exclusive restaurant hire for larger parties.

3.1 The Rose Room — Private Dining

Capacity	Up to 20 guests
Function Package Trigger	15 guests or more
Sitting Duration	4 hours
Minimum Spend	\$3,000 (inclusive of food and beverage)
Booking Confirmation	25% deposit of agreed package total

Our Rose Room is our dedicated private dining space, seating up to 20 guests. Groups of 8 to 14 guests may dine from our standard limited group menu. For groups of 15 and above, a set function menu applies.

The Rose Room is available for a 4-hour sitting. A minimum spend of \$3,000 applies for the duration of the sitting, inclusive of food and beverage. All menu selections must be finalised no later than 7 days prior to the event, along with a full guest list indicating each guest's meal preference and seating position within the group.

3.2 Exclusive Restaurant Hire

Capacity	40 to 70 guests (recommended)
Minimum Spend	\$8,000 (inclusive of food and beverage)
Sitting Duration	To be negotiated
Booking Confirmation	25% deposit of agreed package total

For groups larger than 20 guests, we recommend an exclusive restaurant hire. Hosting a group of this size alongside other diners would impact both the experience of your guests and our regular patrons; exclusive hire ensures a seamless event for everyone.

We recommend exclusive restaurant bookings for groups of 40 to 70 guests. A minimum spend of \$8,000 applies for the sitting. Please contact our Functions Manager to discuss timing, layout, and menu planning.

Set Menu Options

All function dining packages are based on our seasonal set menu. The menu will be drawn from our current dinner offering and must be agreed upon at least 7 days prior to the event. A full pre-order — including each guest's meal selections and seating position — is required before the event date.

Package Tiers

Set Menu Package	Per Person
